

## Virtual Spring Show Results

Thank you for entering our Virtual Spring Show. Whereas this is may not fully replace the real thing, it gives a good idea of what would have been an excellent show.

Regarding judging, firstly I am not a judge (just a virtual judge). I have viewed the pictures for content rather than photographic merit as this is not a photographic competition. I have given some licence regarding interpretation of the rules such as plants being in the garden rather than picked and in a vase, but some rules have remained in place such as the number of stems required of a class. If a class has attracted only one entry, I have provided comment rather than awarding first place.

<b>Show Class</b>	<b>Winner</b>	<b>Comments</b>
1	No overall winner	Susan Beerling and Vera Clarke with commendable entries. No first place awarded due to only one stem pictured in each photograph.
2		No entries.
3	Kate Robertson	This picture most clearly shows the attributes of a Division 1 daffodil where the corona is as long as or longer than the perianth segments. If this had been a photography competition the entries from Richard Munford and Vera Clarke would have been close firsts.
4	Simon Quail	This picture just pushes into first place because most clearly shows the attributes of a Division 2 daffodil i.e. large corona more than one-third but less the equal to the length of the perianth segments.
5	Richard Munford	Two excellent entries. I'm dismissing my own entry for obvious reasons.
6	No overall winner	Commendable entry from Richard Munford
7	No overall winner	Commendable entry from Roland Butcher
8	No overall winner	Commendable entry from Richard Munford
9	No overall winner	Commendable entry from Simon Quail
10	Jan Butcher	Two excellent entries from Jan and Simon Quail, although Jan's daffodils just take first the picture from Simon is excellent.
11	No overall winner	Commendable entry from Kate Robertson
12	No overall winner	Another great entry from Richard Munford
13	Peter Gooch	An excellent picture from Bianca Hegde, however, Peter takes the win with the 5 hellebore flower heads in a bowl of water.
14	Simon Quail	Very colourful picture of pansies
15	A = Jeff Green B = Marilyn Quail	A good crop of entries in this class so I decided to split the class into A for succulents and B for cacti.
16	Patricia and Robert Napier	Joint first place in this class, I didn't want to start an argument!
17	Rosa Dennis and Chris Westbrook	Two colourful entries
18	Edward Butler	The peony wins the flowering shrub/tree class.
19	Jan Butcher	I judged this class based on what 9 stems would have looked like based on the pictures provided.
20	Brenda Westbrook	Some very good entries in this class.

### Virtual Spring Show Results

21	Richard Griffin	A class attracting 8 entries the winner being Richard's fabulous Clivia miniate.
22	Rosemary Townsend	A good win for Rosemary. Sex primrose flow heads in a vase as per Members' Handbook
23		No entries
24	No overall winner	Commendable entry from Vera Clarke
25	Simon Quail, Julia Beagley and Jan Butcher	A close-run thing Camellia blooms, well deserved joint winners.
26	No overall winner	
27	No overall winner	
28	No overall winner	
29	No overall winner	
30	Marilyn Quail	A good looking Simnel cake. Also some hot cross buns from Rosemary Townsend presented here as a substitute for the Simnel cake due to a shortage of flour, close but no cigar Rosemary.
31	No overall winner	
32	No overall winner	
33	No overall winner	Good looking Gypsy creams from Vera Clarke, Mike just left you enough for the picture.

And finally, a couple of extra classes I have added.

The enthusiast class win goes to Richard Munford for his number of entries in the different classes. I'm always going on about entering our show and the more entries we have the better the show. So, thank you Richard and all others who entered the show and gave us something to look at and consider if we could do that or perhaps win.

And a special extra class called entry of entries and the win goes to Richard Griffin for his splendid Clivia miniate, a spectacular plant that I hope we will all get to see at next year's Spring Show (20<sup>th</sup> March 2021 Rudgwick Village Hall).
