ELLENS GREEN AND RUDGWICK GARDENING ASSOCIATION

(Affiliated to the Royal Horticultural Society 10546948)

The Committee are grateful to our advertisers for their generous support over 2023:

BP Wealth Management	Taurus Wines
John M. Carter Ltd	Haven Garage
King's Head	Handyman Cranleigh
Prenplants	Plants by Post
Fox Inn	Kevin Griffin Cars
Scruples Signs	Whitley Manor Farm
Co-op Rudgwick	The Milk Churn
Firebird Brewing Co	

And a warm welcome to our new advertisers in this Handbook
and for their support of the Summer Show Grand Raffle.

The Committee look forward to staging all our shows in the coming year and to seeing our members and the general public at these very special village occasions. Your presence and your exhibits bring the shows to life.

If you have never exhibited before then this is your year!

Thank you very much for your support.

Happy gardening!

You can now access activities via our website *www.gardenREG.org*, for example: renew your membership, update your contact details, enter an exhibit in a show, download electronic copies of documents. As you may have discovered, we can also do 'virtual' shows of photographed exhibits if the need arises. Whatever the circumstances, EGRGA will continue to connect communities as we have been doing for the last 78 years.

Data Protection and Privacy.

Photographs and/or film footage will be taken at each of the Association's Shows

These images will be used in the following ways:

- printed publicity material
- online publicity (including Facebook and Twitter)
- shared with the regional press for use in a news story

The images will be stored securely and kept as historical records of our events

NAFAS Rules for Flower Arranging Classes

An exhibit is composed of natural plant material, with or without accessories, contained within a space as specified in the show schedule.

NAFAS rules state that disqualification will take place for the following reasons:

1. Failure to comply with any specific requirements of a class as stated in a show schedule i.e. the measurements or the components.
2. Inclusion of any fresh plant material that does not have its roots or the cut ends of its stems in water retaining material. (For exceptions see the NAFAS 'Competitions Manual', Third Edition, 2015, Page 4).
3. Inclusion of artificial plant material. (unless specifically allowed by the show schedule).

For further details and definitions, please refer to the NAFAS 'Competitions Manual', Third Edition, 2015, in accordance with which all classes will be judged. A copy is held by the Show Secretary.

Oasis replacement. Try Bio Floral Foam Maxlife; or Agra-Wool Sideau, or **Naturebase** which fully biodegrades. Just Google for info. Single blocks of Bio Oasis 23cm x 11cm x 8cm ("*A planet friendly Biodegradable floral foam. Shown to biodegrade by 51.5% within one year, 85.4% within three years and 90% within four years.*") Available from the Show Secretary: egrgashowsecretary@gmail.com.
£1.50 a block

Competitors are strongly advised to read, as appropriate, ‘NAFAS Rules for Flower Arranging’, ‘Rules for Exhibitors’ and ‘What the judges are looking for’ with this Schedule. Please see p 4, especially on Oasis replacement.

Rules for Exhibitors - Please read carefully!

The shows will be conducted generally in accordance with the rules and standards contained in the RHS Horticultural Show Handbook 2008. If in any doubt about the rules of entry, please consult the Show Secretary who has a copy of the relevant handbooks for each class. The Rules in Home Fare classes are very particular.

1. Unless otherwise stated, all exhibits must be the property of the exhibitor and must have been in his/her possession for at least three months. (Except Flower Arranging).
2. Except where otherwise stated, First Prize to count 3 points, Second Prize 2 points, Third Prize 1 point.
3. Where cups are awarded on points totals, should a tie occur the exhibitor with the highest number of First prizes will be adjudged the winner.
4. No exhibit may be removed until after prize giving.
5. The diameter of a pot or pan is the inside measurement, made as near to the top as possible.
6. Unless otherwise stated or implied in the schedule, each exhibit of plants, flowers, fruit or vegetables shall consist of one variety. Where a number or quantity is specified neither more nor less may be shown.
7. Any exhibit which does not conform to the wording of the schedule shall be disqualified.
8. No exhibitor may have more than one entry in any one class. Entries are limited to one per house or garden with the exception of the Home Fare and Handicraft sections, with a maximum of 1 entry per person.
9. Any prize may be withheld or modified if the exhibits are considered unworthy of the prize offered.
10. On the relative merit of the exhibits the decision of the judges shall be final but the Committee reserves to itself the decision on any other points in dispute. No correspondence can be entered into.
11. All exhibits, personal property, etc. shall be at the risk of the exhibitors and the Association shall not be liable for compensation for loss or damage from any cause whatsoever. Should a show for any cause not be held, no exhibitor shall have any claim on the Association.
12. Where VASE is stated any suitable container will be accepted. Own vases to be used.
13. In classes which do not have the number specified, exhibits should comprise half the number, detailed in Rule 8 on page 11 of the RHS Handbook and rounded up to the nearest whole number. If in doubt, ask the Show Secretary.
14. All vegetables in collections will be judged out of 20 points per vegetable.

Spring Show (continued)

Caribbean Fruit Cake Recipe

Ingredients

Use 2lb lined loaf tin
12 oz (350g) mixed fruit
6 oz (175 g) soft brown sugar
4 oz (110g) soft margarine
2 eggs
6 Oz (175g) self-raising flour
Pinch of salt
Pinch of cinnamon

Method

Place mixed fruit in a large saucepan, cover with cold water and bring to the boil and simmer for five minutes. Strain hot fruit through colander and return to pan. Add sugar and margarine. Mix well until melted and add the eggs. Mix well and add flour and cinnamon. Pour into a lined loaf tin (do not use preformed liners in the tin) and bake for approximately 1 hour 50 minutes at 300° F, 140° C or gas mark 2, but know your oven.

who will be holding an exhibition at the Show

Saturday 14th September 2024

Rudgwick Village Hall

Admission: 50p (Members and children free)

Staging: 8.30 – 10.30am. Show opens 2.30pm

Prize giving 3.45 pm. Followed by raffle

Entries to Show Secretary by 10pm Thurs 12th September 2024

Use entry form at the end of this handbook or www.gardenREG.org
or Email EGRGAshowsecretary@gmail.com

Entries will be acknowledged. Payment is due before staging

Entry 50p per class All classes are open Prizes: 1st £1.00, 2nd 75p, 3rd 50p

VEGETABLES AND FRUIT

CLASSES. Judged out of 20 points per vegetable.

1. Collection of 3 kinds of vegetables - numbers as classes below or see Rule 13, in a space not to exceed 760mm x 760mm. Tray, backcloth or similar may be used and accessories for display are accepted. (See Rule 14 on page 7 of this handbook)
2. 4 potatoes, a white variety
3. 4 potatoes, a coloured variety
4. 3 courgettes - approx. 150mm in length
5. 3 Globe beetroot, with tops trimmed to approx.75mm
6. 3 carrots, any variety, with tops trimmed to approx.75mm
7. 6 tomatoes, small fruited, cherry or small plum, with calyx (*see page 28 for size*)
8. 3 tomatoes, medium, with calyx (*see page 28 for size*)
9. 3 tomatoes, large/speciality
10. 4 onions, no bulb to exceed 250g
11. 4 onions, each bulb exceeding 250g
12. 6 exhibition shallots
13. 3 leeks, intermediate with roots, foliage bound in
14. 6 runner beans
15. 2 cucumbers
16. 2 marrows
17. 4 peppers, hot (chilli)
18. Any other vegetable. Quantities: minimum of 2, or 5 if small
19. Harvest Class - A display of 3 items from the following: 1 flowering pot plant, 1 vase of 3 stems of flowers, 1 fruit, 1 vegetable displayed in space of 30cm x 30cm
20. 3 dessert apples (only include stalk)

21. 3 cooking apples (only include stalk)
22. 12 raspberries (with hull)
23. 12 blackberries (with hull)
24. Any other fruit - 1 variety, min. of 2 pieces if large, 5 pieces if small
25. A Wonky Vegetable

TROPHIES

THE NAUMAN PERPETUAL CHALLENGE CUP

awarded to the exhibitor with most points in Classes 2 -18 inclusive (vegetables)

THE WILLIAM PORT MEMORIAL CUP

awarded for the best exhibit of apples

THE JIM HALE TROPHY

awarded to the competitor showing the best vegetable.

HOME FARE

Note: exhibits may be protected with a clear cover; please avoid clingfilm if possible

Please present entries on a plain plate

CLASSES *(follow rules p29)*

26. A Coffee Walnut Sandwich Cake baked in a tin sized 7"/18cm approx
27. A Dorset Apple Cake. baked in a tin sized 7"/18cm approx (follow recipe below)
28. My Favourite Bread Loaf
29. A Tarte Tatin baked in a tin sized 7"/18cm approx
30. A Jar of Jam. Show date of making *(follow rules p29)*
31. A Jar of Fruit Jelly. Show date of making *(follow rules p29)*
32. Five Digestive Biscuits
33. Five Savoury Scones
34. Five Lemon Drizzle tray bakes

TROPHIES

SWITHINBANK CUP

awarded to the exhibitor with the most points in classes 26 – 34

Recipe for Dorset Apple Cake

Prep:20 mins

Cook:40 mins

Ingredients

Ingredients

115g unsalted butter, diced and chilled, plus extra for the tin

225g self-raising flour

2 tsp ground cinnamon

115g light brown sugar

1 large egg, beaten

6-8 tbsp milk

225g Bramley or Granny Smith apples, peeled, cored and diced

100g sultanas

2 tbsp demerara sugar (optional)

Method

STEP 1

Heat the oven to 180C/160C fan/gas 4. Butter and line a deep 20cm cake tin with baking parchment.

STEP 2

Mix the flour and cinnamon together in a large bowl. Add the butter and rub into the flour using your fingers, until it resembles fine breadcrumbs. Stir in the light brown sugar. Beat in the egg followed by 6-8 tbsp of milk – add it gradually until you have a smooth, thick batter.

STEP 3

Add the apples and sultanas and mix to combine. Scrape the batter into the prepared tin and gently level out. Sprinkle over the demerara sugar, if using, and bake for 30-40 mins or until golden and a skewer inserted into the middle comes out clean.

STEP 4

Allow to cool in the tin for 15 mins and then carefully turn out onto a wire rack to cool further.

Best served still warm with a little custard.

With thanks to BBC Good Food Magazine

HORTICULTURE

CLASSES

35. 1 pot plant with foliage only
36. 1 pot plant with flowers, fruit or berries
37. A vase of mixed Roses - 5 stems
38. 3 decorative Dahlias of one or more varieties
39. 3 Cactus or semi-Cactus Dahlias of one or more varieties
40. 3 pompom or ball Dahlias of one or more varieties
41. 3 single or Collarette Dahlias of one or more varieties
42. 3 Dahlias, any other type not mentioned above
43. 1 vase of any shrub, foliage, berried or flowering of one or more varieties, not more than 5 stems.
44. 1 vase of any other flower, excluding Dahlias, not more than 7 stems and of one or more varieties
45. A vase of ornamental grasses of 3 varieties, no more than 7 stems
46. A vase of mixed Dahlias, not more than 5 stems

TROPHIES

THE BOB SUTTON PLATE

awarded to the exhibitor with the best pot plant in Class 35 or 36

THE PRATT BARLOW CUP

awarded to the exhibitor with the most points in Classes 37 – 45

THE T W FOREMAN DAHLIA CUP

awarded to the winner of Class 46

FLOWER ARRANGING

CLASSES

47. "Eastern Bazaar" - an exhibit, can include accessories
48. "A Table Centrepiece with Candles" - an exhibit
49. "Autumn" - a miniature exhibit 100mm W x 100mm D x 100mm H

TROPHIES

THE BEAUMONT CHALLENGE CUP

Awarded to the exhibitor with most points in classes 47 – 49

NB. In classes 47 and 48 exhibits are to be staged in a niche 700mm wide x 530mm deep x 750mm high. Please refer to NAFAS Rules on Page 4. All exhibits may be with or without accessories.

YOUNGER GENERATION SECTION

No children's classes this Autumn

WHAT THE JUDGES ARE LOOKING FOR

These notes below have been taken from the RHS Horticultural show handbook held by the Show Secretary. The daffodil divisions, and descriptions following, show what the judges consider "Meritorious". Remember this is what you are aiming for. No one achieves perfection. But aim high!

DIVISION 1 - TRUMPET DAFFODIL CULTIVARS

One flower to a stem; corona ("trumpet") as long as, or longer than the perianth segments ("petals")

DIVISION 2 - LARGE-CUPPED DAFFODIL CULTIVARS

One flower to a stem; corona ("cup") more than one-third, but less than equal to the length of the perianth segments ("petals")

DIVISION 3 - SMALL-CUPPED DAFFODIL CULTIVARS

One flower to a stem; corona ("cup") not more than one-third the length of the perianth segments ("petals")

DIVISION 7 - JONQUILLA AND APODANTHUS DAFFODIL CULTIVARS

Characteristics of Sections Jonquilla or Apodanthi clearly evident: one to five (rarely eight) flowers to a stem; perianth segments spreading or reflexed; corona cup-shaped, funnel-shaped or flared, usually wider than long; flowers usually fragrant

DIVISION 4 - DOUBLE DAFFODIL CULTIVARS

One or more flowers to a stem, with doubling of the perianth segments or the corona or both

DIVISION 5 - TRIANDRUS DAFFODIL CULTIVARS

Characteristics of *N. triandrus* clearly evident: usually two or more pendent flowers to a stem; perianth segments reflexed

DIVISION 6 - CYCLAMINEUS DAFFODIL CULTIVARS

Characteristics of *N. cyclamineus* clearly evident: one flower to a stem; perianth segments significantly reflexed; flower at an acute angle to the stem, with a very short pedicel ("neck")

DIVISION 8 - TAZETTA DAFFODIL CULTIVARS

Characteristics of Section Tazettae clearly evident: usually three to twenty flowers to a stout stem; perianth segments spreading not reflexed; flowers usually fragrant

Roses - Blooms that are fresh, free from any blemish in their most perfect phase, half to three quarters open, of full size for the cultivar and of the form typical of it. Colour bright and brilliant. Well-formed foliage of good size and texture, free from blemish due to pests or disease.

Sweet Peas - Strong spikes with well-spaced blooms, each one fully open and fresh. Large flowers with erect standards, rigid wings and keel closed, free from colour running, spotting or scorching and of a bright colour with a silken sheen. Long straight stems in proportion to the size of the blooms. Effectiveness of staging (particularly when competition is close).

Annuals and Perennials - Good fresh condition. A good proportion (70%) of flowers fully developed and appropriately positioned on their stem(s). The foliage should be clean, healthy and undamaged by weather or pests.

NB An Annual flowers, seeds and dies within twelve months, but, for show purposes, includes short lived perennials which normally are replaced each year. Perennials include all plants that live for more than two years. However, for show purposes, a "Perennial" only includes herbaceous plants.

Pot Plants (flowering or fruiting) - A sturdy shapely plant, well furnished with healthy unblemished foliage, displaying flowers, coloured bracts or fruits of a good size, colour and substance. Preference should be given to decorative rather than botanical value (unless the decision is close). Pots should be undamaged.

FRUIT

General – In "Any other Fruit" classes the possible points to be awarded vary (from 8 to 18) according to the difficulty of presenting that fruit. See RHS Handbook page 49.

Apples – Optimum-sized (see RHS Handbook), shapely fruits with eyes and **stalks intact** and clear, unblemished skins of the natural colour characteristic of the cultivar.

Currants – Strigs with full complement of berries. Berries large, ripe and of a uniform, brilliant colour (jet black for blackcurrants). Stalks fresh.

Gooseberries – Large, ripe or unripe fruits as appropriate for the season, uniform and unblemished, of good colour, complete with stalks.

Strawberries, Raspberries and Blackberries – Large, ripe fruits, of good colour, free from blemishes, in good condition and having stalks.

VEGETABLES

General – In "Any other Vegetable" or "Collection" classes the possible points awarded vary (from 10 to 20) according to the difficulty of presenting that vegetable. See RHS Handbook page 73.

Potatoes – Medium sized of generally between 170g and 225g per tuber; shapely, clean, clear-skinned tubers; eyes few and shallow.

Tomatoes – (class 7 Small Size) appropriate to cultivar but not exceeding 35mm in diameter. Fruits ripe but firm, well-coloured fruits, blemish free and with fresh calyces attached.

Tomatoes – (classes 8 & 9) Medium fruits (approximately 65mm in diameter) ripe but firm, and of a good shape. Richly coloured fruits with fresh calyces attached.

Cabbages – Shapely, fresh and solid hearts with the surrounding leaves perfect and bloom intact and of a good colour. Size and shape according to cultivar with approximately 75mm of stalk.

Onions and Shallots – Firm, thin-necked, blemish-free bulbs of good form which should be well ripened. ("defective" notes state "...broken skins or have been skinned excessively").

Carrots – (class D18) long fresh, long roots of good shape and colour. Size to exceed 300mm from the crown to a point where the root measures 5mm in diameter; Skins clean and bright.

Carrots – (class D19) short fresh roots of colour and shape according to cultivar, with a decided stump root, and with tap root intact. Skin clean and bright.

Lettuce – Fresh, firm, tender, unbroken, blemish-free hearts of appropriate colour

French Beans – Straight, fresh, tender snap pod with stalks, and of even length and good colour with no outward sign of seeds.

Runner Beans – Long slender straight fresh pods of good colour with stalks and no outward sign of seeds.

Broad Beans – Long, fresh, well-filled pods with clear skins and tender seeds. Size according to cultivar.

Peas – Large, fresh pods of good colour with bloom intact, free from disease or pest damage and well filled with tender seeds.

Rhubarb – Fresh, straight, long, tender stalks with well-developed colouring with leaf blades trimmed back to approx. 75mm.

Beetroot – Globe spherical, of approx. 50 to 70mm in diameter with a tap root, smooth skin and flesh of a uniform dark colour.

Courgettes – Young tender, shapely fruits, 100-200mm in length or if round cultivars approx 75mm in diameter, of any colour but well matched.

Vegetable Marrow – Young tender, uniform fruits which should be less than 380mm long and free of blemish.

Cucumbers – Fresh, young, green, tender, blemish-free, straight fruits of uniform thickness with short handles and with flowers still adhering.

Cauliflower – Heads with symmetrical, close, solid, white curd, free from blemish, stain or riceyness, with approx 75mm of stalk.

Herbs – Fresh, clean, healthy, blemish-free foliage may have seeds or flowers.

Judges' Scoring

Obviously, this varies according to the exhibit being judged, but is usually along the following lines, each aspect only being judged if that is relevant, and the points given to it varying slightly.

For example:	Condition	Out of 5 points
	Size & Shape	Out of 4 points
	Colour	Out of 3 points
	Uniformity	Out of 3 points
	Total:	15 points

COOKERY COMPETITIONS

General: Any entry which is still warm will not be judged! Round items should be displayed on round plates, oval on oval plates and bread on boards.

Preserves and Curds: A curd is not a preserve. Preserves and curds have different sealing requirements. **Lemon Curd** –Cover with a breathable top of a waxed disc with a cellophane cover. NO caps please! **Preserves** should be filled to the top of the jar. IF using lids they must be new, and put on when the preserve is hot. This ensures a good seal. OR wax discs may be used, trimmed carefully to fit the jar; place smooth side down directly onto the hot surface of the preserve. This will cause an airtight seal when cooled. Apply a cellophane cover for protection when the preserve is completely cold; fix with a rubber band. **Full date** of making should be clearly marked. Trademark or business names **must not** appear on any part of the jar or lid.

Chutneys: Should have a 12mm (1/2 inch) space at the top. Cook until all liquid evaporates and leave for 3 months for flavours to develop. Use a NEW SCREW-TOP LID to create true seal.

Biscuits: Should be 5-6cm (2" – 2 1/2") wide and 3 mm (1/8") thick. Fluted cutter for sweet; plain for savoury. Biscuits are flat and snap when broken; cookies are softer and cut from a roll or dropped from a spoon.

Cakes: Cake is one layer, Sandwich is two, filling in centre and none on outside; Gateaux, three or more layers and decorated top and sides.

Cheese biscuits: Flavour could be enhanced with a little dry mustard powder and by bringing the grated cheese up to room temperature before using.

Pies/Tarts/Flans (Adhere to suggestions below, unless stated in the relevant classes): A fruit pie only needs a pastry top and is cooked in a deep dish. A fruit tart has a pastry top and bottom and is cooked on a shallow plate. Using a metal tin ensures the base is cooked properly - often not the case when a china dish is used.

Gingerbread: Benefits from being made in advance and left to mature.

Mince Pies: Use shortcrust pastry. Flavour is always the winner.

**ELLENS GREEN & RUDGWICK GARDENING ASSOCIATION
MEMBERS - WE NEED YOU!**

Helping to put on our shows creates good community spirit... many hands spread the load...the more the merrier. Please indicate if you are happy to help in the following ways: *(Please tick all that apply)*

Helping stage the Associations Shows by:

- Joining a rota to staff a stall
- Marshalling car parking when needed
- Making a cake to supplement our tea and cakes offering.
- Organising the raffle or selling tickets
- Serving refreshments
- Working on the set up and dismantling
- Being a Judges' Steward (assisting the judge on the day of a show)

Help with the administration and direction of the Association

- I would like to join the Committee
 - I love admin
 - I like finance and accounts
 - I love life
 - I have a passion for advertising
 - I like selling
 - I am a great planner
 - I'm just happy to be involved.

Help with other events, plant sale, events, trips etc

- Just put me down to help
