

Virtual Summer Show Results 2021

Thank you for entering our Virtual Summer Show. Whereas this is may not fully replace the real thing, it gives a good idea of what would have been an excellent show.

Just as a reminder of my usual “get out” clause, I am not a judge - just a virtual judge! As this is a virtual show, I can only virtually judge and therefore the results could differ from those had the show taken place as usual at the show ground. The photography classes differ slightly in that the photographic merit of each entry is the subject of my virtual judging. I have given some licence regarding interpretation of the rules such as plants being in the garden rather than picked and in a vase, but some rules have remained in place such as specifics to each class e.g., the number of stems required or hulls being present in cane fruit. If a class has attracted only one entry a first place is not always awarded.

AS the entries have not been professionally judged, the various trophies have not been awarded.

Thank you to all who entered.

Richard Haigh, Virtual Judge (and Chairman)
